A contest

I have had a black [Simple Plan](#) t-shirt, size large, donated to me by [a generous benefactor](#). It doesn't even come close to fitting me, so I thought I would give it away on the website. I wanted to post a picture of it, but every time I tried to get the picture off my memory card, my computer would reboot. Three reboots later, you're still not getting a picture.

Anyway, this contest is going to be fairly simple. [Email me telling me why you want this shirt](#). The email that does the best job of convincing me wins. I'll even mail it to you if you're not local.

The contest is over whenever the hell I want, so send your emails promptly ;) I'll notify the winner and get their mailing address at that time. I'll even post the picture if I can ever figure out what the hell went wrong.
