Bomb scare in my neighbourhood

Ok, so I'm driving home and the street one block down from me is roped off with police tape. Cop cars all around. You'd think, "WTF?!", right? Me too. Naturally, I pull over and walk back, camera in hand to see if I can find out what the hell is going on.

I tried talking to a cop but didn't tell me anything useful. The people evacuated from their homes, however, were quite eager to tell me that it was a bomb scare. I fully expect this to be on the news tonight, but you heard it here first. Take that Bruce Frisko!
