Camping in Boston

Plans are starting to come together for our road trip to Boston. We've been researching campsites so we can travel on-the-cheap, and I think we've settled on Wompatuck State Park. It's about 30 minutes south of Boston, so we should be able to drive to the nearest subway station and then hit downtown.

So far, I think Jeannine and Tanya are just going to shop. We're going to be travelling with wifi-enabled laptops and a GPS (probably) so we should be able to update blogs, podcasts, photos, etc. from the road.

What's fun to do in Boston? Any requests for interviews or photos?
