

# Choose an icon for the Games topic

I need help choosing an icon. Right now the icon for the "games" topic is a Dreamcast. This is simply because I now own one, and it's the reason I created the topic in the first place :)

Help me choose (a more appropriate?) one. Click below.

Here are the choices. If you can come up with a better one, then I'm open to suggestions. Discuss.

Atari 2600

Nintendo GameCube

Nintendo N64

Sega Dreamcast

Classic NES

Sony Playstation

Super NES

XBox Controller
