

Dial M for Penny

Jesus Murphy. [Some guy was shot](#) several times and killed outside the Copper Penny last night...only about two hours after I left. Yikes. Although I heard on the [Q104](#) this morning that the "alleged" shooter was arrested at the scene.

On a side note, I went searching to "Copper Penny" on [Google](#) to try to get a useful link, and ended up finding [this](#). What kind of drugs is this guy on? He says about the Penny, and I quote, "*Not so smoky anymore.*" I don't think he's ever actually been there.
