FNP 8: Because drinking is half the battle

Yeah, I know it's been over a week since I last posted something on the main page, but honestly, it's because I've been either working or sick. This post will make the wait worth while.

I am announcing the 8th incarnation of the Feelin' No Pain pub crawl franchise: FNP 8: Because drinking is half the battle. That link should pretty much answer all your questions. If you have any others, email me.

I've carefully timed this one to coincide with the end of university exam schedules, so hopefully we can get lots of people out. Spread the word.
