FNP X: Bar line up finalized.

I've been quite busy at work lately, so I've kind of let this pub crawl organization stuff fall a bit behind. Anyway, the bar line-up is finalized, and if you don't like it, tough. You had more than enough time to email me about it if you had any suggestions. If you have a t-shirt, there will be no cover at any of the bars.

1700h - Rogues' Roost
1830h - Maxwell's Plum
2000h - The Seahorse
2130h - Pogue Fado / The Frigate
2330h - Pacifico

The theme is still **seal clubbing**. I'll have a graphic posted up here as soon as I can.

Important: There's only **about 2 weeks** before the crawl **(Saturday, May 27th!)**so we need to **recruit like crazy**. If you're reading this, tell all your friends, tell everyone you know. Give out the URL http://spine.cx/crawl/. Put it on posters and post it around town, I don't care. We NEED people. Like I said, I've been lax and I haven't really done my job in this department, so I need your guys' help.

To sign up for a t-shirt: Send me an email with "pub crawl t-shirt" in the subject line and tell me what size(s) you want and whether you want a regular (Hanes/Gildan) or girly-style t-shirt. You can bulk order if you want, but when I collect the money, holding the orderer responsible for all the funds for that order. If everybody orders their own t-shirt, it'll make it easier logistically anyway.

Questions? Email me!
