canadaflag.jpgSpine.cx wishes Canada a happy 136th birthday. To give people something to comment on, how are you spending your holiday?

Edit 07/02 0051h: Just got back from watching the fireworks. They sucked. But I did take some photos. The most interesting things I saw that night were this and this. And some lesbians. Wanted to get a photo of them kissing, but didn't want to be too conspicuous.
