My birthday party

My 28th birthday is on the 1st of June. Since that's a Tuesday, I'm throwing a party the following Saturday, the 5th of June. Bring meat to barbeque, and booze to imbibe. If you don't know where I live, drop me an email.

It's been a long time (last August 16th) since I've had a house party, so lets try and make this a good one.
