

# New Forums!

So, just like I rewrote the main site, I've also re-written the forums. They've been done for a while, but I've just been using them myself. I haven't seen any glaring bugs, but if you do, [drop me a line and let me know](#), please.

Also, in case anybody didn't notice who would otherwise care, I would like to move the pub crawl discussion into [this thread](#).
