Old people are armed to the teeth

But then again, if I lived in Truro, I suppose I wouldn't take any chances either :)

This article tells the story of how two elderly Truronians, each in their 70s, were charged with posessing "a .30-calibre M-1 carbine and a .233 Muzzelite assault rifle". I'm all for protecting yourself and your home, but I think that may be a tad excessive, even for Spryfield.
