Ownership of Montreal Grill

The ownership of the Montreal Grill (the restaurant in the basement of the Bank of Montreal building on Hollis & George) has changed hands. It is now owned by the Greek couple that owned the Soup'er Sandwich a few years back. They have promised to bring back Souvlaki Thursdays. I was planning to put a menu in this article, but they don't really have one that I could take and scan.

Consider this a P.S.A. Go down there and show them some business.
