Roll up the Rim is back!

Your favourite contest has re-appeared at your favourite coffee-and-donut shop. Yes, Roll-up-the-Rim is back at Tim Hortons. If it's anything like last year, I'll buy at least one coffee a day for the two or three months that this contest is on, and I'll win a coffee and one or two donuts. That would suck. I want the car. Not for the car itself, of course, they are hideous. I just want something to trade in for *my* new car because I haven't been able to sell my old car yet :(

Of course I wouldn't turn down the 53" Panasonic widescreen television or $1000 cash either ;)
