

Ryan & Sarah's housewarming

Photos from the kick-ass party I was at on the weekend past. There was much beer. I think I drank most of it, or at least that's the way it felt. I took [some photos](#).

There were a number of people there I didn't know, which was cool. Too many parties I go to now have all the same yokels that I see everyday. There definately needs to be some new faces in the photo gallery. Gotta mix it up. Gotta keep it interesting.
