Saturday night at the Attic: CHIXDIGGIT!

Everybody who's anybody is going to be at the Attic this Saturday night to see Chixdiggit! for their Halifax Pop Explosion appearance.

This band is probably my favourite live act. Their energy on stage is legendary and their music is short enough to hold even the attention of the most ritalin-prescribed spaz. Trust me when I say you'll regret it if you weren't there. Also on the bill are the semi-local act (from Moncton), the Ditchpigs, who pleasantly surprised me the first two times I saw them.

Show starts at 2300h. And best of all? It's only $10.
