Sigh I'm looking for roomates AGAIN.

It looks like I must begin the search for a roommate yet again. My current roommate is moving out at the end of May. If you know anybody looking for a place or is just toying with the idea of moving, gently, but firmly, nudge them over this way. I've got one room available immediately, and one available June 1st, or possibly sooner.

Before you say anything, I've already put up posters in the CS building at Dal in an attempt to reach my "target market" :)
