

Spine.cx has a new home

Spine.cx was moved yesterday from its previous home in the basement of the building on the corner of Quinpool and Windsor, to its new home in Purdy's Wharf. I think it likes it there. Better view.

In other news, Old Navy opens in Moncton on September 30th. Why Moncton and not Halifax, you ask? I can't be certain, but I feel confident that it has something to do with the ability to open on Sundays.
