Steve goes to Wisconsin

Even though I went to Wisconsin before Juan hit, I thought that Juan was bigger news. The astute among you may have noticed that I have also posted pictures of my trip in the photos section. It was a fun time. I got to hang out with State-side Spine Dorks Emily and Dr. Nick in their natural habitat.

Over the course of this trip, I visited some strange and wonderful places, such as Milwaukee Brewers baseball games, and the local watering hole, the Brazen Head.
