SteveCast #4 - The Redwood Grill

I didn't really get a chance to do some of the great suggestions I got, because I didn't go downtown today. I *did*, however, get to go out to the Redwood Grill for supper. In the SteveCast, you'll find my review, as well as some talk about the suggested activities that I didn't do :)

Today's music was brought to you by Spiderbait and John Frusciante.
