

SteveCast #6 - New Orleans is Sinking

I rant a little bit about the anarchy that's going on in [New Orleans](#) and some about [Big Brother 6](#).

Check out [this guy's LiveJournal blog](#). He's a sysadmin the crisis manager for [DirectNIC](#), and he's been holed up in their offices on the 10th floor of an office building in New Orleans since before the Katrina hit. It's really interesting to hear a first hand account of what's happening on the front lines.
