Sunday Shopping

As I'm sure everybody here expected, I made it my mission to go out shopping on Sunday. I headed for Bayers Lake and shopped at both Futureshop and the Superstore.

Futureshop was completely unprepared for how busy their store was going to be. Only one checkout was open and the line-up quickly wound its way past all reasonable lengths. Even when the second checkout opened, it still took quite a while to get through. At the Superstore, it was even worse -- they **were** prepared, but the crowds still overwhelmed the cashiers. See the pictures below.
