

Those damn conservatives

This time they've gone too far. Well, maybe not *too* far, but certainly far enough for me not to like it. Perhaps you've seen the signs they've posted. I've seen them around the Bayers Lake area. "Take Back Canada", they say. From what? From social progress? From women's rights?

I think we should put up signs that say "Free Canada", as in free us from the jesus freaks and good ol' boys who want to try to tell us what we should be doing and how we should be doing it.

Promise Keepers, anyone? Scary.
