

Yo, peeps. This be a throwdown.

I don't know how many people outside my own office ski, but you are welcome to join Ray ([who won't login](#)) and I at [Wentworth](#) on Saturday. There are two more spots in my vehicle for anyone who would like to come with us.

[Drop me a line](#) if you are interested. Tell your friends too. Should be a good time. [Weather looks great.](#)
