You like Christmas music, right?

I'm sure that some of you know that in addition to Spine Radio, I also do a music podcast for Zunior.com. This month, I produced a mostly-holiday-themed episode that you might enjoy. Don't worry, it's not overly sappy sweet with holiday cheer...I don't think I could stand that either.

If you're interested, you can find it at zunior.blogspot.com, and if you like it, you can subscribe with the Zunior.com Podcast's RSS feed.

For anybody who missed the chance to win the Thurstons album I gave away in a previous episode of Spine Radio, you have another chance to get it in the Christmas episode of the Zunior.com Podcast.
